

### REMARKS

By this Amendment, reference to applications which this application claims benefit of or incorporates by reference have been clarified and recited as required at the beginning of the disclosure. The definite benefit reference is added to an application which was filed prior to November 29, 2000 (and/or to the CPA application filed December 14, 2001).

Further and favorable action is solicited.

Respectfully submitted,

Date: January 17, 2002
